"One of Canada's most astonishing musical exports"

Raymond Tuttle | Fanfare Magazine

Internationally renowned for their warm and engaging stage presence, impeccable musicianship, and unique perspective on ensemble singing, **musica intima** has earned a reputation as Canada's most exciting vocal ensemble. Twelve professional singers make up the personnel of musica intima. Lloyd Dyck of the Vancouver Sun says "the flexibility and agility that are a function of their small size is partly what makes them so exciting." But what makes musica intima truly unique is that they rehearse and perform without a conductor. In rehearsal, they exchange ideas freely while exploring their own musical creativity. In performance, they engage the audience with a spontaneity and freshness all their own.
